Re: T-Mobile Northeast LLC v. Town of Hempstead, et ano  
11-CV-0322 (JS)(ETB)

Dear Judge Boyle:

We are attorneys for the Town of Hempstead and the Town of Hempstead Board of Appeals, defendants in the referenced action. We are writing to request an extension of time to answer or otherwise respond to the second amended complaint in this matter. The second amended complaint was served on or about July 6, 2011 and our clients' answer is currently required to be served on or before July 21, 2011.

Because of summer vacation schedules, we have are unable to prepare our response to the second amended complaint in the time provided. Accordingly, we respectfully request a two week extension to August 4, 2011 of our clients' time to answer the second amended complaint. We have spoken with counsel for plaintiff and they have consented to the requested extension. No prior request for an extension of time to respond to the second amended complaint has been made to the Court.

Thank you for your consideration of this request and please let us know if there is any additional information you require.

Respectfully yours,

Todd C. Steckler
